The Colonial School Philosophy

Early Childhood should be a time of fun, warmth, security, exploration and discovery. Young children are creative and receptive; our staff strives to nurture and encourage these qualities in our students.

We are also dedicated to instilling Character Education while incorporating virtues such as responsibility, citizenship, fairness, honesty, respect and trustworthiness for the purpose of the development of the whole child.

The Colonial School Goals

Our goals for students enrolled in our Program are to develop self-confidence, independence, self-discipline and an understanding and compassion in helping others.

It is also our goal to provide students an atmosphere that encourages social, emotional, physical and intellectual growth.

Intergenerational programming has historically been a large part of the Colonial School experience, and we hope to return to this program focus in the future. Unfortunately, due to the COVID-19 pandemic all in person intergenerational programming has been eliminated this school year.

Days and Hours of Operation

Colonial School is open Monday through Friday from 6:30 AM to 5:30 PM.

Due to the COVID-19 pandemic, everyone 12 years and older must wear a mask when inside the school, regardless of vaccination status.

Children are admitted to Colonial School regardless of race, color, creed, sex, national origin, religion, or disability in accordance of ADA act of 1990.

Days and Hours of Operation (continued)

Colonial School will be closed on the following days:

Inservice Day: October 22, 2021

Thanksgiving: November 22—26, 2021

Christmas Break: December 20, 2022—December 31, 2021

Martin Luther King Day: January 17, 2022

Conferences: February 2-3, 2022

President's Day: February 21, 2022

Spring Break: April 11—April 15, 2022

Memorial Day week: May 30—June 3, 2022

End of Summer break: August 29— September 2, 2022

Classroom Ratios

It is the philosophy of Colonial School that lower student to teacher ratios allow for more individualized attention and an improved learning environment.

Pre-K classes-ages 4-6 year olds

1 adult to 12 children/2 adults to 24 maximum group size (State ratio: 1 adult to 14 children)

Preschool classes-ages 3-4 year olds

1 adult to 10 children/2 adults to 20 maximum group size (State ratio: 1 adult to 12 children)

Extended Day classes-ages 3-6 year olds

Colonial School ratio: 1 adult to 12 children/2 adults to 24 maximum group size

Drop off and pick up schedules

Morning Classes

Class	Drop off	Class Time	Pick up
3 day PK	8:30-8:40	8:40-11:40	11:40-11:50
5 day PK	8:30-8:40	8:40-11:40	11:40-11:50
3 day PS	8:45-8:55	8:55-11:55	11:55-12:05
2 day PS	8:45-8:55	8:55-11:55	11:55-12:05

Afternoon Classes

Class	Drop off	Class Time	Pick up
3 day PK	12:50-1:00	1:00-4:00	4:00-4:10
3 day PS	12:50-1:00	1:00-4:00	4:00-4:10

Loading and unloading procedure

Please enter the lot from Stahlheber Road and go around to the back of the school. (Stay close to the building on the right because cars will be exiting on the left.) Please pull up as far as possible to avoid cars having to wait on Stahlheber Road. After your child is loaded/unloaded, exit right out of the circle toward Brookwood Avenue.

Class pick up times are listed on the previous page of the Parent Handbook. In order to expedite the loading process, you will be given a color coded sign with your child's name on it. When picking up, hold up your sign and the teachers will call your child from inside the building and have them ready to load. Please make sure grandparents, babysitters or anyone else who may pick up your child has a sign. When dropping off, teachers will take your child from your vehicle and escort them into the building. Please note that we will only load/unload from the back seat and curb side of the street.

If a child is not both 4 years old and 40 pounds, they are required to ride in an approved car seat for their age and weight. Children under 8 years old must ride in a booster seat or other appropriate child safety seat unless the child is 4'9 or taller. Parents are strongly encouraged to become familiar with these standards. Additional information can be found at the Ohio Department of Health website.

We ask that you please practice buckling the car seat with your child. If your car seat is particularly difficult to reach or you have multiple children to load, we may ask you to pull forward to buckle your child in so that the line continues to progress. If the car in front of you has not been loaded, please be patient. Going around the car in front of you could lead to an accident. Our goal is to keep our children and staff safe!

Please be mindful of the speed limit and refrain from using your cellphone during drop off and pick up process.

Children will not be loaded or unloaded during an electrical storm. If there is lightning and/or thunder in the immediate area, you will need to park your vehicle to pick up or drop off your child. Please call the school office, if your child is going to be absent. Always make sure a teacher is aware that your child has arrived/or is leaving so teachers may mark the daily attendance form accurately.

The release of a child from the school to any person other than the parent will not be permitted without written approval. Anyone picking up a child must be 18 years or older. Legal documentation must be included in a child's file in order for us to refuse to release a child to their parent. If a child has not arrived as scheduled from another program (ie via school bus), we will immediately call the parent and/or transportation company.

Your promptness will be appreciated when picking up or dropping off your child.

Classroom Schedules

Pre-K Classroom Schedules AM (flexible)

8:30-8:40	Drop off
8:40-9:00	Wash hands, collect folders, meet and greet each other
9:00-9:20	Circle Time
9:20-10:00	Free play in centers/lesson activity
10:00-10:30	Special/Large Motor
10:30-10:50	Snack and clean up
10:50-11:25	Free play in centers/lesson activity
11:25-11:40	Clean up/Goodbye
11:40-11:50	Dismissal/Pick up

Preschool Classroom Schedules AM (flexible)

8:45-8:55	Drop off
8:55-9:15	Wash hands, collect folders, meet and greet each other
9:15-9:35	Circle Time
9:35-10:15	Free play in centers/lesson activity
10:15-10:45	Special/Large Motor
10:45-11:05	Snack and clean up
11:05-11:40	Free play in centers/lesson activity
11:40-11:55	Clean up/Goodbye
11:55-12:05	Dismissal/Pick up

Pre-School /Pre-K Classroom Schedules PM (flexible)

12:50-1:00	Drop off
1:00-1:20	Wash hands, collect folders, meet and greet each other
1:20-1:40	Circle Time
1:40-2:20	Free play in centers/lesson activity
2:20-2:50	Special/Large Motor
2:50-3:10	Snack and clean up
3:10-3:45	Free play in centers/lesson activity
3:45-4:00	Clean up/Goodbye
4:00-4:10	Dismissal/Pick up

Monthly Tuition Prices 2021-2022

2 Day Preschool	\$196.00
3 Day Preschool	\$227.00
5 Day Preschool	\$345.00
3 Day Pre-Kindergarten	\$247.00
5 Day Pre-Kindergarten	\$273.00

Payment Policy

Monthly payments are due to Colonial School by the fifteenth day of each month. If payment is not received by the fifteenth day of the month, your account will be assessed a \$25 late fee. If payments for tuition/extended day fees are in arrears for 15 days, a payment plan must be arranged. Failure to resolve unpaid balances within 30 days will result in dismissal from the program and your account being turned over to a collection agency.

You will be billed for monthly tuition and prepaid Extended Day fees. If you use the Extended Day program on a drop in basis, charges for the hours used will be reflected on your next month's bill. We accept ACH (automatic bank withdrawal), checks and cash.

Please make checks payable to:

Colonial School
855 Stahlheber Road
Hamilton, Ohio 45013

Please include your child's name and the month for which you are paying on your check. A \$25 fee will be charged for any returned checks; future payment by check will not be accepted until account balances are settled.

You will receive a one time supply fee charge of \$150 on your first month's bill. It is due in full with your September payment.

You may withdraw your child from the program at any time; however, we ask for the courtesy of a 2 week notification.

A student will not be permitted to begin attending a new year of classes until all previous family balances have been paid.

A 3% tuition (only) discount will be given for a full year payment made by September 15th.

A 10% tuition (only) discount will be given for 2 or more children in the same family enrolled at the same time.

Community First benefit eligible employees are eligible for discounted tuition and Extended Day rates.

Community First employee rates may not be combined with a multiple child discount.

No refunds will be given for illness, vacation, or snow days up to 14 days. Missed days will not be made up.

Colonial School is a not for profit subsidiary of Community First Solutions. We are responsible for operating on a fiscally sound basis and meeting our annual budget. We rely on timely payments in order to fulfill our commitment to all families. Every family must sign a Payment Policy Agreement.

Supply Fee

\$150.00 per year will include:

Your Child's Portfolio	Work portfolio Pictures Progress report/report card Individual reports Communication folder
Personal Development	Music, technology, art supplies, classroom supplies
Developmental Assessment	Ages & Stages, TS Gold Assessment Portfolio

A one time \$150 activity charge will be added to your September bill. It will be due with your September payment. Any balance of your monthly bill will be carried over to the next month. A \$25 late fee will be assessed each month that your bill is not paid in full.

Supply Donations

We are always happy to receive donations. Items such as markers, crayons, paper, tissues and Clorox wipes are used in large quantities throughout the school year! We often accept other items such as gently used clothing (in case of an accident), books or toys. Your generosity is appreciated.

Extended Day Program

The Extended Day Program is a busy place with lots of activities for children who are in need of before or after school childcare. The Extended Day Program is designed to be an extension of your child's classroom. Special attention is given to coordinating the unique dynamics of the program. Because children are being picked up at various times, the program's curriculum is flexible although structured. The daily curriculum includes a lunch time, free play, outside play (weather permitting), center play, and art projects. There is a short rest time when children will have the opportunity to nap or participate in quiet activities on a cot.

Colonial School offers prepaid Extended Day options- Unlimited hours AM only or Unlimited hours AM & PM. The program will be open to enrolled families on the days their child attends class. Availability will be limited and spaces will be filled on a first come first served basis.

Once you have reserved your space, you will be free to use the Extended Day Program as much as you like during hours of operation. Billing will be reflected on your monthly statement; like tuition, the entire payment will be due on the fifteenth of each month.

We understand that your child's Extended Day schedule needs may change, however, we ask for a 2 week notice for any changes. Your monthly rate will be adjusted if a 2 week notification is given.

Parents using AM & PM Extended Day must park their car to drop off or pick up their child. Please enter through the front door, maintain social distancing and a staff member will get your child from their classroom. Children may not enter or exit the building alone.

Extended Day Schedule

(flexible)

12:00 PM-5:30 PM

12:00-1:00	Lunch
1:00-1:30	Clean up/center play/working on individual goal plans/outdoor play
1:30-2:30	Rest period
2:30-3:00	Clean up/center play/individual planning
3:00-3:30	Snack
3:30-4:30	Daily activity/art/science/cooking/project/individual goal plans/sharing time
4:30-5:30	Large motor/free play

EXTENDED DAY PROGRAM

Space is limited and filled on a first come first served basis. Unlimited use options are prepaid monthly.

AM Extended Day includes:

Extended Day from 6:30 AM until morning classes begin

2 Days per week...\$48 per month

3 Days per week...\$66 per month

5 Days per week...\$96 per month

AM & PM Extended Day includes:

Enrichment from 6:30 AM until morning classes begin **AND** after morning class until 6:00PM

2 Days per week...\$180 per month

3 Days per week...\$252 per month

5 Days per week...\$404 per month

For students attending afternoon classes, we offer the following option:

Extended Day beginning at 12:00 and then following the afternoon class until 6:00PM

2 Days per week...\$80 per month

3 Days per week...\$115 per month

5 Days per week...\$179 per month

An hourly rate of \$8.25 is available when space allows.

Families choosing the hourly rate will be billed the following month for their use of the program.

Guidance and Management Policy

Rules are a necessary part of our society. We are establishing an important developmental process in children when we set limits at home and at school. Children expect adults to establish these limits. It is essential for children to be aware of what is expected of them. We do not look at discipline as punishment, but as a way of teaching children to feel respect for themselves, others, and the environment in which they live.

Classroom activities are designed to foster appropriate behavior (sharing, waiting a turn) to tell friends what we need, etc. Most importantly, positive feedback is given to children for appropriate behavior. This descriptive appreciation can be through words such as: "The blocks are all put away, the crayons are in their baskets, etc."

Inappropriate behavior that is not harmful to anyone is ignored or the child is quietly redirected to another activity. Harmful behavior is stopped immediately, the danger is then explained. Spending a short period of quiet time with a book or puzzle, and having the teacher nearby will usually alleviate the problem. If repeated disruptive behavior is observed, the matter will be discussed with the parents. It is Colonial School policy to look for proper supportive channels and options to help the child, the parents, and the teacher involved.

Our goal is to supply you, as parents, with information, to help you with parenting skills and to enhance your family life together. We will work together as a team with one goal in mind: to help empower your child to make good choices now and in the future. If a child continues to exhibit behavior that may be dangerous to himself or others, the child may be dismissed from the program at the Director's discretion.

State Laws for Guidance and Management Policy

Childcare staff members assigned to supervise a child or group of children shall be responsible for their guidance and management.

When children's behavior is unacceptable, the staff member shall:

Set clear limits.

Redirect to an appropriate activity.

Show positive alternatives.

Use developmentally appropriate techniques suitable to the children's ages and circumstances. Encourage children to control their own behavior, cooperate with others and solve problems by talking.

Communicate and consult with parents/guardians in implementing any specific behavior management plan. This plan must be consistent with the requirements of this rule.

Use developmentally appropriate separation from the situation only as necessary; however, separation shall last no more than one minute per each year of the child's age. Upon the child's return to the activity, the staff member shall review the reason for the separation and discuss the expected behavior with the child.

When children's behavior is unacceptable, the staff member shall not:

Abuse, endanger or neglect children, utilize cruel, harsh, unusual, or extreme techniques or any form of corporal punishment or humiliate, threaten or frighten children

Delegate children to manage or discipline other children

Use physical restraints or restrain a child by any means other than holding children for a short period of time, such as in a protective hug, so the child may gain control

Place children in a locked room or confine children in any enclosed area

Confine children to equipment such as highchairs or cribs

Subject children to profane language or verbal abuse

Make derogatory or sarcastic remarks about children or their families including but not limited to cultures, nationalities, race, religion, or beliefs

Punish children for failure to eat or sleep or for toileting accidents

Withhold any food, rest, or toilet use (Including snacks and treats)

Punish an entire group of children due to the unacceptable behavior of one or a few

Isolate and restrict children from all activities for an extended period of time

Safety Policies (State Laws)

While your child is in our care, they will be protected from abuse and neglect.

Staff are responsible for the safety of children both indoors and outdoors.

A staff member trained in first aid, CPR, child abuse prevention and communicable disease is available at all times.

A list of safety rules is posted in each classroom.

No child shall be left unsupervised at any time. Children shall be within sight and hearing of child care staff members at all times. Within sight and hearing is without the use of mechanical devices such as monitors, video cameras, walkie talkies or mirrors.

A working telephone or intercom system is available in all classrooms and on the playground for staff at all times.

The Child Enrollment and Health Information form (JFS 1234) Forms filled out by parents are on file in the office.

The posted plans for medical, dental, fire, and weather alerts are posted in each classroom.

The safety and well being of your child is our utmost concern.

Fire Drills are held monthly. Tornado Drills are held monthly from March through September. Emergency/Safety drills are held quarterly. All staff are familiar with all fire exits and storm drill information.

Spray aerosols, including sunscreen, will not be used when children are in attendance.

There will be at least 2 staff members in the building at all times while children are in attendance.

Staff members will not be under the influence of any substance that impairs the child care staff member's ability to supervise children and/or perform duties.

Each child will be unloaded/loaded by staff members when using car line.

We must be provided legal documentation if a child is not permitted by law to be visited by a parent or guardian.

We will not load or unload your child during an electrical storm.

NOTE: See Pandemic Addendum for additional safety policies during the COVID-19 Pandemic.

Children must have a written note from their parents if they are leaving school with a friend or relative other than the designated parent or carpool person. In an extreme emergency, a person known to the Director or staff member (i.e. the parent) may phone permission for release to a specific person. Please contact the school office if your child is going to be absent for any reason.

Incident/Accident Reports

Parents will be notified if their child is injured at school. An incident report form will be completed by the supervising staff member if:

A child has an injury that requires first aid

A child has an illness

A child is bumped resulting in a bruise

A child requires emergency transportation

A child suffers a blow to the head

A child is involved in an unusual or unexpected event that jeopardizes the safety of the children or staff.

Parents should sign the incident report, keeping one copy for themselves and returning a copy for the child's file. The Administrator will be informed of any incident/accident as soon as possible.

Incident reports will include the following information:

The name and address of the school

The name and birth date of the child

The date and time the incident occurred

The names of the staff members responsible for the child at the time of the incident

The actions taken by the school

The signature of the person who completed the form

In case of SERIOUS Accident or Illness:

In case of an extreme emergency/accident, an ambulance will be called and the injured child will be transported to the designated medical center requested by the parent. Colonial School does not offer emergency transportation. If time is of the essence, the child will be transported to the nearest hospital. If a Parent did not grant consent for transportation on the Emergency Transportation form, we will request at a minimum 5 phone numbers of individuals that will be available for transportation in case of an emergency.

Parents will be contacted immediately and staff will:

Administer first aid

Supervise other children away from the injured child

Never leave a sick or injured child alone

Make a cot available

Call parents/guardians first. If no response, people designated on the Child Enrollment and Health Information Form (JFS 1234 form) will be contacted.

NOTE: See Pandemic Addendum for additional confirmed COVID-19 reporting requirements.

Outdoor rules

Children will have daily outdoor time for large motor activities (weather permitting). For children attending 4 hours or more, it is a state law to have outdoor activities everyday (weather permitting). Outdoor play will not be permitted when the temperature is below 32 degrees or above 90 degrees.

Children must sit directly on the slides.

Children must come down slides feet first.

No equipment is permitted on the climbers.

Classrooms will have staggered play times outdoors to maintain social distancing.

When a group of children are outdoors, the staff member will be able to summon another adult via intercom or cell phones without leaving the group alone or unsupervised.

Routine Walking Trips

Colonial School Teachers may take the students on walks around the outside of Westover Retirement Community.

Field Trips

At this time, Colonial School will not be planning any walking field trips due to the COVID-19 Pandemic.

State Rules for Field Trips

A Staff member accompanying children on walking field trips will have first aid and CPR training.

A first aid kit will be taken on all field trips.

Each child will have identification attached to himself/herself, including name of school, address and telephone number.

An Child Enrollment and Health Information form (JFS 1234 form) shall be available on field trips for each child on the trip.

A Child Medical/Physical Care plan (JFS 1236 form) and Request for Administration of Medication form (JFS 1217 form) shall be available on the field trip or special outing for children who have allergies, health conditions and/or medications.

A signed permission slip from the parent or guardian must be obtained before trips.

There will always be a minimum of 1 adult per 7 children for each walking field trips.

Lunch Bunch

Lunch Bunch is available to children enrolled in the designated PM Extended Day classrooms. Children attending PM Extended Day must bring in their own lunch including an ice pack. Colonial School will supply the milk for lunches for this school year. We will not be offering hot lunches this school year.

Packed Lunch

In order to remain in compliance with state regulations, we are required to inspect all lunches to ensure that they meet nutritional and safety guidelines. When an item is missing or not prepared safely, Colonial School must supplement the child's lunch with the missing item or correct the safety issue. Although we are happy to supplement an item occasionally, we ask that you are responsible in adhering to the guidelines.

Families who are consistently missing items or violating safety guidelines, may be asked to pay a supplement charge to cover the cost.

State guidelines require all lunches to include the following:

- | | |
|---------------------------|--|
| 1 serving of fluid milk | 1 serving of meat/meat alternative |
| 1 serving of bread/grains | 2 servings of fruit or vegetables or 1 of each |

When packing your child's lunch, please remember to include the following:

- | | |
|------------------------------|-----------------------------|
| Ice pack to keep items fresh | Utensils (spoon, fork etc.) |
| Napkin | Cup or straw if needed |

A few safety guidelines to follow include:

Avoid common foods that can easily choke a child (hot dogs, popcorn, sticky foods, hard candy)

Avoid sharp utensils that can easily injure a child (toothpicks, knives etc.)

Prepare foods in small bites (cut grapes in half, cut raw vegetables)

Snack Menus/Extended Day Classes

A flexible snack menu of foods provided by the school is posted in the PreK hallway. This four week menu will rotate throughout the school year. There are some days that we will have birthday treats or a special snack to go along with the unit the class is learning. We will offer a morning snack and afternoon snack in our extended day classrooms each day.

We ask children to wait for everyone to be seated before eating. We also have a short time of reflection and thankfulness before each meal and snack. Snacks are nutritious and meet state content guidelines.

Monday	Tuesday	Wednesday	Thursday	Friday
Goldfish Crackers	Cheese and cracker	Graham cracker	Apple slice or fruit cup	Animal Cracker &
&	&	&	&	
Milk	Fruit Juice	Milk	Milk	Fruit Juice

Nut Allergies

Nuts will not be served by school staff. All school purchased snack items are peanut free as well as being produced in a peanut-free facility. Parents will be notified if their child is in a "nut free class" and ask that they do not provide special treats containing nuts.

The Extended Day Program will provide a "nut free table" during lunchtime for students with identified nut allergies. Other allergies will be addressed on an individual basis. Our goal is to keep every child safe.

Thank you for helping us reduce the risk of an allergic reaction.

General Emergencies

Parents will be notified by email, TV, Facebook and the website in the event of environmental hazards, threats of violence, natural disasters, loss of power, heat or water.

The maintenance department will be called for loss of heat or power. If heat or power cannot be restored within an acceptable amount of time, we may evacuate children to the Westover Activity Center or Jamestowne Rehabilitation Center where parents will be contacted.

In case of evacuation at Colonial School, a sign will be posted on the front door instructing parents where to pick up their child.

Bottled water is kept for emergencies as well as extra batteries for radios, flashlights etc.

A copy of Colonial School safety plan is available to parents upon request.

Closings

Watch Channels 12, WKRC or 9 WCPO for closing information. We will be listed under "Colonial School". There are two options that may be listed:

1. Colonial School-Closed

This option means that road conditions are not safe for travel. We use the same criteria that the local school system uses in making this determination.

2. Colonial School-2 hour delay

This option means that we have cancelled AM Extended Day to give road crews time to clear streets. Only AM Extended Day is cancelled; Classes and PM Extended Day will be held at their normal times.

We will also list updates on our website www.colonialschools.org and Facebook.

We understand that snow days can wreck havoc on a parent's schedule, but the safety of your child is of the utmost importance when making these decisions. We will make decisions regarding "make-up days" if/when this becomes necessary. If we experience early closings throughout the day, we will contact you through the school's website, email or by telephone.

NOTE: In the event of a COVID-19 positive case at the school that classroom may be temporarily closed. See Pandemic Addendum for more details.

Fire Drills

In the event of a fire, we will exit the corridor to the nearest door; or use the patio doors located in rear of the classrooms. To help prepare children for the possibility of an actual fire emergency, we will practice monthly fire drills. Although we explain to the children that there is not a real fire, the drills can still be frightening for a small child. Talking to your child about fire safety at home will add additional support and help to lessen their fears. Building and fire compliance reports may be viewed upon request.

Weather Alerts

If time allows, in case of a tornado warning, we will exit into the corridor and through the nursing wing into a designated area in the basement of Westover. In case of extreme immediate danger, we will go into bathrooms or closets, which are located inside the inner part of the school.

Required Enrollment information

Each child is required to have a signed and dated Child Enrollment and Health Information form (JFS 1234 form) in their file. This information will allow your child to be transported by ambulance to a designated hospital and allow treatment deemed necessary by your preferred physician or other licensed physician. Colonial School does not offer emergency transportation.

Immunization Requirements

In accordance with State licensing requirements, the center requires that each parent or guardian submit a Child Medical Statement and immunization records upon enrollment. We strongly encourage children be current on immunizations, but it is not required to attend Colonial School. We understand immunizing your child is a personal decision for each family. If you choose against having your child immunized, the medical statement must be signed by the child's physician showing that the child was examined and the doctor/parent must sign that they have declined to have the child immunized.

Both forms must be submitted by the first day of school. The Child Medical Statement must be completed every 13 months. If a child has a medical condition that may require attention by staff, a Child Medical / Physical Care Plan (JFS 1236 form) may be required.

Administration of Medication

If a child needs medication, we will require a 'Request for Administration of Medication for Child Care' form (JFS 1217 form) be completed by the parent or guardian and physician.

Parents are asked to present, in writing, a list of all diet restrictions. Lists will be posted in appropriate classrooms and all staff working with diet restricted children are informed of their special needs.

If a child has a communicable disease, they may not return to school until permission is given by their physician. The child must also be symptom free, without use of medication, for 24 hours before returning to school.

A child who does not feel well enough to participate in school activities shall be considered "mildly ill". The parents will be contacted.

Notification will be sent home if there is an outbreak of a communicable disease. Colonial School will coordinate with the local health department regarding any COVID-19 positive cases.

No child will be permitted to carry their own medicine; only trained staff will administer medications.

Children are not permitted to carry toxic or harmful chemicals or items in their backpacks (including but not limited to; lotions, hand sanitizers, make-up, chap stick, glue, toxic markers, and medications).

GENERAL NON COVID-19 HEALTH POLICIES

Isolation of sick child due to suspected communicable disease

Sick children will be provided with a cot and made comfortable. After use, the cot will be disinfected with an appropriate germicide, or if soiled with blood, vomit or other body fluids, the cot will be cleaned with soap and water and then disinfected with an appropriate germicide. The child will be cared for in another room or portion of a room away from the other children; within sight and hearing of an adult at all times.

The child's parents or guardian or other persons designated on the Child Enrollment and Health form will be contacted.

Health Policies

Staff members and children must wash their hands upon entering the premises. Training will be provided for all staff in hand washing and disinfection procedures prior to working with children.

It is the school's policy to have children and adults always wash their hands upon entering the building, before eating and after using the bathroom.

Staff members are trained in the recognition of Communicable Diseases or other illnesses, First Aid and CPR as required by the Department of Job and Family Services. Classes are taught by approved trainers.

Parents shall be notified within the next day of operation, when their child has been exposed to any communicable disease.

Bathrooms and sinks are disinfected daily. Tables and chairs are disinfected after each class.

The following is a list of symptoms for which a child or staff will be discharged from school:

Diarrhea, 3 or more abnormally loose stools (within a twenty-four hour period)

Severe coughing causing the child to become red or blue faced or makes a whooping sound

Difficult or rapid breathing

Yellowish skin or eyes

Redness of eye or eyelid, thick and purulent (pus) discharge, matted eyelashes, burning itching or eye pain.

Temperature of 100 degrees Fahrenheit when in combination of any other sign or symptom of illness

Any untreated infected skin patches unusual spots or rashes

Unusually dark urine and/or gray or white stool

Stiff neck with elevated temperature

Unusual spot or rashes of undetermined origin

Sore throat or difficulty in swallowing

Vomiting more than one time or when accompanied by any other sign or symptom of disease

Evidence of lice, scabies or other parasitic infestation

At the discretion of the administrator if a child is too ill to participate in activities

Community Resource Information

The following are examples of ways Colonial School provides community resources to families.

Community First Pharmacy

St. Joseph School Open House/Registration

St. Peter in Chains Open House/Registration

SAY Soccer Registration

Monthly distribution of Cincinnati Parent & Cincinnati Family magazine

Keeping your child happy and healthy is important to us. That is why we are providing you with information of the importance of comprehensive health screenings for your child.

A well-child visit is when you take your child to the doctor for a full checkup to make sure he/she is healthy and developing normally. This is different from other visits for sickness or injury. At a well-child visit, the doctor or nurse can help catch any problems early, when they may be easier to treat. You will also have a chance to ask any questions you may have about your child's behavior or development.

All school age children must have a comprehensive health screening. This screening will include: Vision, dental health, height, weight, hearing, blood lead and hemoglobin levels

Below is a list of other resources that may assist you in ensuring your child receive the recommended screenings.

Resources for Health Screenings

1. Hamilton Health Department
345 High Street
Hamilton, Ohio 45011
513 785-7080

2. Children's Hospital
7777 Yankee Road
Liberty Township, Ohio 45044
513 803-9600

3. Pediatrics of Hamilton/Fairfield
188 North Brookwood Avenue
Hamilton, Ohio 45013
513 874-9460

4. Dr. Christopher Co
511 Nilles Road
Fairfield, Ohio 4514
513 829-5306

5. ABC Pediatric Therapy
7591 Tylers Place Blvd.
West Chester, Ohio 45069
513 755-6600

6. Hamilton City Schools
533 Dayton Street
Hamilton, Ohio 45011
513 887-5000

7. Community First Pharmacy
210 South Second Street
Hamilton, Ohio 45011
513 645-5447

8. Primary Health Solutions
210 South Second Street
Hamilton, Ohio 45011
513 454-1484

9. Miami University Speech & Hearing Clinic
Bachelor Hall Room2
Oxford, Ohio 45056
513 529-2500

Confidentiality of Records

Children's records may only be accessed by the child's teacher, Administrator, or an authorized employee of the licensing agency, or the child's parent or legal guardian. Children's records are filed in the Administration office.

Records Transfer Policy

Colonial School will transfer a child's records with a signed request from a custodial parent. These records will include copies of the most recent Child Enrollment and Health Information form, Child Medical Statements and Parent-Teacher conference forms. Request forms can be obtained from the school office.

Security Code

The security code for Colonial School is XXXXX. This code will change annually. Please share this code only with the individuals who will be responsible for picking up your child. We want to keep our building secure for the safety of our children.

Giving Wall

The Giving Wall displayed in the main hallway is a unique way to celebrate a child while teaching the importance of philanthropy. For just \$5, friends and family can purchase a tile in honor of a child's birthday, a favorite holiday, a home run, learning their ABCs, or any other special accomplishment.

The entire \$5 contribution is donated to the Michael J. Pollicita Scholarship Fund which was established to help families in need of assistance during a financial emergency continue their education at Colonial School.

Conferences

Teachers will conference with Preschool and Pre-K families in November and February. Conferences will be by phone, email or in person as parent schedules allow. There will be a modified/no class schedule during February conferences in order to accommodate all families. Other conferences will be scheduled on an 'as needed' individual basis.

It is our hope that teachers and parents will work together to set realistic goals for their children. Teachers will use developmental screening results, classroom observation, classroom work, and parental feedback when determining areas in need of improvement as well as areas of advancement.

Registration

Registration for the following school year will be held in January. It is Colonial School policy to first admit in-school children and their siblings, before accepting outside registrations. Class sizes are limited and filled on a first come first served basis. A \$70.00 nonrefundable registration fee must accompany all applications in order to be considered.

Parent Grandparent Involvement Program

Teachers are always grateful for help in the classroom. Ways to help this school year:

Room Parent

Making Playdough

Helping with art projects, cutting, etc.

We will be limiting the amount of volunteers at the start of the school year, however, we will be implementing other ways you can be a helping hand for your child's class!

Dress Code

Children are encouraged to wear play clothes, which are really their "work" clothes and their comfortable "work" shoes. Safe shoes are very important for outdoor play. Daily activities include active and messy play. Children should feel comfortable enough to enjoy themselves without worrying about their clothes or falling down due to inappropriate shoes. If your child wears a skirt or dress, please have them wear leggings or shorts underneath. Please keep a ziplock bag with a complete change of clothes (shirt, pants, underwear, socks, etc.) in their backpack.

Outdoor clothing (jackets, hats, gloves, mittens, etc.) and other belongings (toys, books, etc.) should be labeled with your child's name.

While masks are recommended, we will allow families to make their own decision regarding their children wearing a mask at school. If Ohio Department of Job and Family Services mandates children ages 3—5 wear masks, we must follow their regulations. Anyone 12 and older must wear a mask when entering Colonial School.

Developmental Screening/Assessment

We want to provide your child with the best start in education. Therefore, as part of our services we offer parents the opportunity to participate in the Ages & Stages Questionnaire (ASQ-3). Ages & Stages is a screening tool that provides insight into your child's development. The information supplied by you will reveal your child's strengths, uncover any areas of concern, and determine if sharing the results with your child's pediatrician or intervention activities may be useful if concerns are indicated. The questionnaire includes questions about your child's communication, gross motor, fine motor, problem solving and personal-social skills. The screening is voluntary and confidential.

Assessment is an ongoing process at Colonial School. Teachers assess all children using formal (TS Gold) and informal methods, on an ongoing basis to inform instruction. Results will be shared with families through conferences, informal meetings, notes and work samples. Colonial School may share the formal assessments/child level data to ODJFS pursuant to 5101:2-17-02 of the Administrative Code.

Step Up to Quality

Step Up to Quality is a voluntary, five star quality rating system. It supports programs in achieving higher levels of quality programming by focusing on lower teacher/ child ratios and group sizes, administrators and teachers with higher levels of education, and a stronger educational experience for children. Colonial School has participated in the Step Up to Quality program since 2009.

Currently Colonial School is rated a Star 4.

Curriculum

Colonial School follows the Creative Curriculum, which is a researched based child driven curriculum. Classrooms are designed specifically to meet the standards of the curriculum and the needs of each individual child. Teacher lesson planning is aligned with the State of Ohio Early Learning and Development Standards.

Much time and money is spent buying educational materials that are age-appropriate for the classroom. We understand that children want to share toys from home with the class, however, we ask that parents ensure that children keep all personal toys at home.

Personal Development

Music

Music is considered an important part of our programming at Colonial School. We are hopeful Mrs. Jackman will be able to join us for Music class this school year.

Motor Development

Planning will include Motor Development throughout the school year. During this time, children will learn balance, dance movements, stretching techniques and the importance of a healthy well balanced body and mind.

Art

Art education is a continuous journey for students at Colonial School. Children have many opportunities throughout each day to express themselves through art. Teachers encourage students to use a variety of familiar materials such as paper, crayons and paint but also challenge children to develop their own creativity by supplying unusual objects as the motivation in some of their classroom creations. The goal for every student is to create a piece that brings self satisfaction.

Licensing/Center Parent Information

The center is licensed to operate legally by The Ohio Department of Job and Family Services. This license is posted in a noticeable place for review.

A toll-free telephone number is listed on the center's license and may be used to report a suspected violation of the licensing law or administrative rules. The licensing rules governing child care are available for review at the center.

The administrator and each employee of the center is required, under Section 2151.421 of the Ohio Revised Code, to report their suspicions of child abuse or child neglect to the local public children's services agency.

Any parent of a child enrolled in the center shall be permitted unlimited access to the center during all hours of operation for the purpose of contacting their children, evaluating the care provided by the center or evaluating the premises. Upon entering the premises, the parent, or guardian shall notify the Administrator of his/her presence.

The administrator's hours of availability and child/staff ratios are posted in a noticeable place in the center for review.

The licensing record, including licensing inspection reports, complaint investigation reports, and evaluation forms from the building and fire departments, is available for review upon written request from the Ohio department of Job and Family Services.

It is unlawful for the center to discriminate in the enrollment of children upon the basis of race, color, religion, sex or national origin or disability in violation of the Americans with Disabilities Act of 1990, 104 Stat. 32, 42 U.S.C. 12101 et seq.

For more information about child care licensing requirements as well as how to apply for child care assistance, Medicaid health screenings and early intervention services for your child, please visit <http://jfs.ohio.gov/cdc/families.stm>

Colonial School does not offer Infant/Toddler Care or evening/overnight care.

Communication

A school roster which includes parent names, telephone numbers and email addresses is available upon request. If you wish to have your name or phone number omitted, please mark your child's Enrollment and Health Information form accordingly.

Information will be delivered to parents through newsletters, handouts, conferences, communication folders, social media and e-mails.

Please keep your child's communication folder in your child's backpack. Teachers will use this folder to send home important information. Likewise, parents should use the folder to send information to teachers. Folders should be checked daily for correspondence. Children are instructed to keep their artwork and other belongings inside their backpacks while the folders are for adults use only.

School bags are needed for each child to help him/her care for his/her belongings. Please write your child's name on the outside of the bag. Labeling all belongings with your child's name will help to avoid missing items. Many children have identical backpacks, clothing, coats, etc.

Parents are encouraged to contact their child's teacher either through e-mail or by telephone with any questions or if their child is having problems at home or school. Email addresses and phone numbers are available on page 4 of this handbook. Concerns can also be taken to Karen Makela, Administrator of Colonial School or Amy Wylie, Vice President of Community Based Services at awylie@community-first.org. Colonial School staff that have concerns regarding the school, may contact Karen Makela, Amy Wylie or Stacey Andrews, Community First Director of Human Resources at sandrews@community-first.org.

Birthdays are a very special part of school. Parents may send store bought cookies or treats for class celebrations. If your child has a summer birthday you might want to consider celebrating an "unbirthday" sometime throughout the school year. This way all children can celebrate their own special day. Please communicate with your child's teacher if you would like to plan a birthday celebration for your child. Please do not send birthday party invitations to school unless they are for the entire class.

Transition

It is the practice of Colonial School to plan for transitions in, out and within the program. Families are introduced to our program through several methods, including tours of the school, teacher meetings, parent orientations, information packets, and meet the teacher virtual events. At the end of each school year, a family picnic is held to help children and families transition to the summer. During the summer months, we offer weekly summer camps that allow children to be introduced to our school. Transitions are planned and implemented with children in mind.

Summer Programming

Summer Camps

Colonial School offers a 12 or 13 week themed summer camp series. All camps are appropriate for boys and girls ages 3-7. Parents will receive a camp schedule in March with the camp themes and pricing. Camp registrations are taken on a first come first served basis and space is limited. Camps are open to Colonial School students as well as children from within the community including siblings and friends.

Summer Extended Day

Summer session including summer camps and summer enrichment will begin on Monday, June 6, 2022. Summer enrichment options include an hourly rate as well as a prepaid monthly rate. Registration forms will be sent home in March. Summer extended day is available to Colonial School students as well as children from within the community including siblings and friends. Decisions regarding the hours of Summer extended day will be made in Spring 2022. The summer extended day program will be closed May 31 —June 3, 2022, July 4, 2022 and August 29—September 2, 2022.

Summer Extended Day Schedule

(flexible)

6:30	Class begins
6:30-9:00	Free Play in centers/large motor/outdoor play
9:00—12:00	Summer camp
12:00	Lunch/free play in centers
1:00-3:00	Clean up/nap
3:00-4:00	Afternoon lesson/activity
4:00-5:30	Free play/outdoor play
