

# Welcome to Colonial School Summer Camps!

We have planned a summer full of fun and learning for your child! All camps are designed for children ages 3-7.

**All children are welcome to participate.**

**You do not need to be enrolled as a student to attend summer camps or summer extended day!**

Here's how to *Join the Fun!*

Complete your **registration** (on the flip side). Please return form with complete payment or we will include the balance in your next month's tuition. If enrolling in our Extended Day program, you will be billed monthly.

We will also need a **medical and health enrollment form** for every child attending camp. Registered students may use the form from the school year providing it is current. New students or those with expired forms will need to submit/update a current form before they attend camp. Forms are available in the school office and online at [www.colonialschools.org](http://www.colonialschools.org)

## **Stuff to know:**

Camps are filled on a first-come first-served basis, and space is limited.

Minimum participation for each camp is 5 children. A full refund will be given if a camp is cancelled due to less than minimum participation.

Refunds will not be given for cancelled or missed days of camp.

If your child has any special needs or medical issues, you will be asked to provide a medical care plan. This plan will instruct staff how to respond to a medical emergency should one arise.

All camps will be held at Colonial School. Children will be outdoors during some camps.

Please apply sunscreen to your child and dress him/her for outdoor activities.

Lesson plans and activities are subject to change.

A snack will be provided during camp as part of the fun!

## **Extended Day Program:**

Start early or stay a little later. Our before and after camp Extended Day Program will be offering limited hours before and after camp. (6:30am-1:00pm) and loads of summer fun for families in need of child care!

We will begin offering full-day care the week of August 8th.

Contact the school office at 867-4006 for more information or to register your child.
